

SALUX ON-DEMAND

THE SELF ADMINISTERED HEARING CONSERVATION SOLUTION

Test On-Demand with Salux by self-administering testing in-house

- Save money, time, and reduce lost productivity
- Flexible, convenient testing on your schedule
- Fully compliant OSHA 1910.95 requirements
- Simple set up and self-guided user experience
- Instant test results with valid comparison tests
- Live support & tele-proctoring available

Combine with On-Site Testing:

- Perform retests and missed tests after the mobile unit
- Keep on-hand to test new hires throughout the year

Cost Effective

Save the cost, lost productivity, and hassle of sending employees offsite

Full Support

Included access to certified audiologists and CAOHC-certified tele-technicians

Simple Compliance

The Salux app guides you through testing that meets OSHA 1910.95 requirements
