— MANUFACTURING STRONGER BOTTOM LINES —

OPERATE ^{IN} THE BLACK

Our expert and factory-certified team members are the best in the business.

They...

- Work fast to keep you working hard. We strive to cut turnaround times in half (usually 2-3 days).
- Meet manufacturer's specifications, including warranty and maintenance care.
- Offer a full line of available calibration gases, making sure you have the right product and bottle size for your equipment.

Reach out to our reps to start a gas detection, repair, and calibration program that will keep you safe on ANY jobsite.

It's time to OPERATE IN THE BLACK!
