Get a Grip on Glove Management!

OPERATE^{IN} THE BLACK

LET US HELP YOUR BOTTOM LINE by managing your entire electrical glove program. We keep track of expiration and recertification dates with our user-friendly customer service process. That gives YOU the time you need to **focus on YOUR operation.**

Black & Company connects you to a local Electrical Safety Testing Lab that is **NAIL Accredited for Protective Equipment Testing** to ASTM/ANSI specifications. Our focus on customer services means you can count on:

- Thorough cleaning
- Visual inspections
- Dielectric test up 40kV
- Retest notice for all equipment tested, with detailed test reports
- Test date and voltage tested stamped on all equipment

— MANUFACTURING STRONGER BOTTOM LINES —

OPERATE ^{IN} THE BLACK

BLACK & COMPANY'S EXPERTISE IMPROVES YOUR PRODUCTIVITY with a fail-safe procedure for glove safety and maintenance.

Our process:

- Together we define your needs (glove types, quantity, stamping requirements, and current expiration time frame).
- We contact you 60 days before glove expiration to start recertification.
- We collect expired gloves 30 days later.
- You receive recertified and replacement gloves in sealed packaging with detailed test documents for the next glove exchange.

GLOVE MANAGEMENT COULDN'T BE EASIER!
It's just one of the many ways Black & Company helps you...**OPERATE IN THE BLACK!**
