Raise Worker Output... Lower Company Costs

Smart vending machines are more than a convenience. They're the **smart solution** to problems that threaten to put your bottom line in the red. We analyze your operations, identify **YOUR specific needs**, and provide you with constant access to the ideal vending machine inventory that YOU want...not sub-standard, private-label products so often promoted by other vendors.

We make sure you have **on-site vending capabilities** that **effortlessly automate** material management of MRO and safety supplies. You get **what** you need, **when** you need it, and **where** you need it.

When you choose **BLACK & COMPANY** for your vending requirements, our experts make sure you enjoy every possible benefit of this smart investment:

- **24 x 7 access to the product you need** to keep your operation running smoothly.
- **Automated ordering process** to eliminate costly stockouts.
- **Convenient access to supplies** to keep workers closer to their stations.
- **Reduced time and resources focused on managing inventory**—to give you more time and resources focused on what you do best.
- **Less downtime**—because we pride ourselves on our reputation for top-notch service, you can rest easy knowing your vending machines will always be properly stocked and serviced!
- **Customized reporting of real-time data**—or receive weekly, monthly, or annual reports. See usage trends by product, employee, or department for continuous improvement!
- **On-site support**—while some vending solution providers deliver machines and not much else, Black & Company offers regular on-site support. We keep our fingers on the pulse of your program to ensure it's constantly working for you!
- **Unbiased advice & guidance**—our only goal is to provide you with the right vending solution. Because we represent the strongest vending machine suppliers, like Cribmaster and SnapVend, we have access to the best and most innovative vending solutions available. We're tied to no single supplier, so you get the right solution for your business!
