

# OPERATE<sup>IN</sup> THE BLACK

## WE'VE GOT SAFETY COVERED!

At Black and Company, we understand the challenges our customers face regarding **OSHA compliance, process safety, personnel safety and continuous improvement objectives** in the workplace.

**Our Safety Team strives to help our business partners achieve a world-class safety program.** We do this by providing leading edge safety products, services, and solutions. With our value-added services, we help our customers reduce incidents, maintain compliance, manage risk, control costs, and increase productivity... all while improving the total cost of ownership of their current safety products.

In addition, we also assist our business partners in identifying hazards and eliminating SIF generators (Serious Injuries & Fatalities) within their facilities. **Everything we do is in effort to improve our customers' safety programs and culture.**

**IT'S TIME TO TAKE YOUR FIRST STEP TOWARD OPERATING SAFELY  
IN THE BLACK WITH THE BLACK AND COMPANY SAFETY TEAM.**

**Black & Company  
Industrial and Safety**
